# Completing the Prescription Process

Complete all required sections, including signatures, of the DAWNZERA Patient Enrollment and Prescription Form. You have a few options for completing and submitting the prescription:

**Fax to 1-877-558-0007**

**Download and print** the form at [DAWNZERAhcp.com](http://DAWNZERAhcp.com)  
**OR**  
Use the **tear pad** from your Account Specialist

**Electronically**

Use **DAWNZERA Direct**  
**OR**  
**ePrescribe** through your EHR to CoAssist Pharmacy

 If your patient is new to DAWNZERA, they may be eligible for a one-time, one-dose supply of DAWNZERA at no cost to see if DAWNZERA is right for them. Fill out the Free Trial Prescription on the enrollment form or through DAWNZERA Direct to enroll your patient.† For eligibility, see terms and conditions at [DAWNZERA.com/FreeTrialProgram](http://DAWNZERA.com/FreeTrialProgram).

**Including the following documentation** with the prescription may help reduce delays:

- Diagnosis and attack characteristics (eg, baseline and current frequency, severity, location, duration)
- Copies of relevant lab results (eg, baseline and current C1-INH antigenic/functional and C4 levels, and if required by the insurance plan to support diagnosis, genetic testing results)
- Experience with current and/or previous treatments (include both prophylactic and acute treatments)
- If possible, include photos of a patient’s HAE swells
- Letter of Medical Necessity

 Sample Letter of Medical Necessity can be downloaded from [DAWNZERAhcp.com](http://DAWNZERAhcp.com) or completed online at [DAWNZERAhcp.com/Upload](http://DAWNZERAhcp.com/Upload)

**Ionis Every Step will reach out to your office if additional information is needed**

†May not be billed back to the third-party payer or resold. Participating in the program does not impose an obligation to purchase in the future. Terms and conditions apply. Programs subject to change or discontinue without notice, including in specific states.  
C1-INH, C1-inhibitor; EHR, electronic health record; HAE, hereditary angioedema.
